Lord, we thank you for making us who we are: your masterpiece. Bless us as we begin the next step of our journey and inspire us to share our talents and good works with others. Make us proud to be part of Christ the King and let us make our school a place of joy and friendship. We ask this through Christ our Lord. *Amen.*

"We are God's masterpiece, created in Christ Jesus for good works, which God prepared beforehand to be our way of life."

Mobile Phones at CTK

Phones are a distraction from teaching and learning. We operate a NO mobile phone policy at CTK. Pupils and staff are NOT allowed to use a personal mobile phone whilst in school.

Pupils may bring them to use whilst travelling to and from school. When they enter the school gates, phones must be switched off, secured into a Yondr pouch and stored in a safe place in their bag or locker. When pupils leave to go home each day, they will use the devices near to the school gates to unlock their pouch to access their phone.

A phone that is visible (or other devices) whilst in school will be taken to our school office and will be returned to a parent/carer.
